TRANSITIONAL JOBS WORKSITE AGREEMENT

Between the **Governor's Local Workforce Areas (GLWA) and Sirius Workforce LLC** (hereinafter referred to as the Program Operator) and Springboards for Community Development (Hereinafter referred to as the work site) concerning Transitional Jobs under the Local Workforce Areas Transitional Jobs Program. The WIOA Case Manager is responsible for coordinating the program at the local level. Sirius Workforce LLC is responsible for the participant payroll process and for the provision of worker's compensation for on-site accidents. Neither the Alabama Department of Workforce/Local Workforce Areas nor Sirius Workforce LLC is responsible for any damages resulting from actions of the Transitional Jobs participant.

The Work Site Agreement is hereby made between the Program Operator and the Work Site, pursuant to Public Law 113–128, the WorkforceInnovation and Opportunity Act (WIOA).

The program is designed to provide WIOA eligible participants with meaningful and worthwhile work-based learning, financial assistance, and a better understanding of the labor market. To this end, the following worksite agreement will be adhered to:

I. The Worksite will ensure provision of adequate and competent on-site supervision. Supervisors will require participant conformance with the Worksite's personnel rules.
II. Participants will be employed in accordance with the applicable Federal and State Labor Law Acts, rules, and regulations.
III. The Worksite will ensure orientation and training of worksite supervisor personnel directly responsible for the supervision of participants, as to the Worksite's responsibilities and obligations under this agreement by providing each supervisor with a copy of this Agreement.
IV. Worksite personnel will maintain and certify daily and weekly time and attendance records on each participant for the program duration. Participants will not be paid for absences, hours not worked, or holidays.
V. **Participants cannot work more than 32 hours per week, 390 total hours. Worksites that allow participants to exceed 390 hours or 40 hours per week must reimburse Sirius Workforce LLC/Alabama Department of Commerce for all overpayments or be barred from receiving any WIOA funding for at least two years.**
VI. Worksite personnel will ensure to the best of their ability that no participant is engaged in political, sectarian, and/or maintenance of effort activities.
VII. The Worksite will ensure that all sites where participants are assigned will have capability and facilities to provide services to WIOA participants in a sanitary and safe environment.
VIII. Worksite personnel agree to notify Sirius Workforce LLC immediately in the case of an accident or injury atthe worksite affecting a participant.
IX. Worksite personnel agree to notify the Case Manager of any problem concerning participant performance at a worksite.
X. Worksite supervisors will be responsible for on-site program operation in compliance with governing DOL/WIOA regulations and directions. The Case Manager is responsible for providing worksite Agencies with copies of this agreement.
XI. Worksites will provide sufficient equipment and materials for participants learn and develop good work habits.

This Agreement is effective the 10th day of September, 20 26, and shall remain in effect until terminated by written notice of either party concerned, or until 6/30/2027.

Worksites Are Responsible for Reimbursement of Any Overpayments to Participants Who Work More Than the Allotted Number of Hours.

I have read, understand, and agree to comply with the terms of the Agreement.
